(2020-21)  
CHAPTER-1  
FAMILY AND I**

**Assignment date- 17-04-2020**

**Submission date- 18-04-2020**

**GENERAL INSTRUCTIONS:**

- Read the content below carefully
- Answer the following questions based on the content.

**LET US READ:**

- A **family** is a group of people who live together.
  
- Parents, brothers, sisters, grandparents, uncles, aunts and cousins are called **family members**.
  
- There are different types of families:
  1. **Nuclear family**- it is a family in which mother, father and children live together.
  2. **Big family**- it is a family in which grandparents live with mother, father and children.
  3. **Single- parent family**- it is a family in which children live with either mother or father.
  4. **Joint family**- it is a family in which grandparents, uncles, parents, cousins and children live together.

**FAMILY RELATIONS**

- In a family, members related to each other are called **relatives**.
  - Parents of our father and mother are our **grandparents**.

- Our father's parents are our **paternal grandparents**.
- Our mother's parents are our **maternal grandparents**.
- Our mother's brother is our **maternal uncle**.
- Our mother's sister is our **maternal aunt**.
- Our father's brother is our **paternal uncle**.
- Our father's sister is our **paternal aunt**.
- The children of our aunts and uncles are our **cousins**.

### LET'S PRACTICE

**1. Answer the following in one word:**

- a. My father's father is my \_\_\_\_\_.
- b. My mother's brother is my \_\_\_\_\_.
- c. My father's daughter is my \_\_\_\_\_.
- d. My uncle's son is my \_\_\_\_\_.
- e. My father's sister is my \_\_\_\_\_.

**2. Fill in the blanks:**

- a. A \_\_\_\_\_ family has parents and children living together.
- b. A big family has \_\_\_\_\_, \_\_\_\_\_ and \_\_\_\_\_.
- c. People who are related to each other in life are known as \_\_\_\_\_.

**3. Write T for true and F for false:**

- a. Families teach us to fight with others.
- b. Festivals give us an occasion to meet our relatives who do not live with us.
- c. A family with uncles, aunts and cousins living in the same house is a nuclear family.

**4. Answer the following questions:**

- a. How is a joint family different from a big family?
- b. What is a family?
- c. What is a single-parent family?

CHAPTER-1  
FAMILY AND I (continued)

Assignment Date-19-04-2020

Submission date-21-04-2020

**GENERAL INSTRUCTIONS:**

- Read the content below carefully
- Answer the following questions based on the content.

**LET US READ:**

**Family generations**

- Family members who are born and grow old in the same period belong to same **generation**.
- Our grandparents belong to **first generation**.
- Children of our grandparents are our parents, uncles and aunts. They belong to **second generation of the family**.
- We along with our brothers, sisters and cousins belong to the **third generation**
- Parents of our grandparents are our great-grandparents.
- A **family tree** always starts with the grandparents or great-grandparents.
- A **family tree** shows the different generations of a family and how they are related.

**Family resemblances**

- Resemblance to a family is hereditary as it is passed down from one generation to another.
- Physical features that are passed down from one generation to another are called **hereditary features**.
- Children have eyes, nose or hair colour similar to that of his or her mother.

- Two children who are born at the same time to the same mother are called **twins**.
- Twins who look exactly like each other are called **identical twins**.
- Twins who do not look like each other are called **fraternal twins**.

### LET'S PRACTICE

#### 1. Fill in the blanks:

- a. A family tree always starts with the \_\_\_\_\_. They form the first \_\_\_\_\_ in the family.
- b. Physical features that are passed down from one generation to another are called \_\_\_\_\_ features.

#### 2. Write T for true and F for false:

- a. A family tree tells us how we are related to our friends.
- b. Identical twins do not look alike.
- c. A family tree starts with the third generation.

#### 3. Unscramble these words using the clues:

- a. RISSET \_\_\_\_\_ (a sibling)
- b. HEFTAR \_\_\_\_\_ (a parent)
- c. NAPGRAD \_\_\_\_\_ (a parent's parent)
- d. HORTREB \_\_\_\_\_ (a sibling)
- e. CLEUN \_\_\_\_\_ (a relative)

**4. Match the following:**

- |                         |                              |
|-------------------------|------------------------------|
| a. Nuclear family       | i. Only one parent           |
| b. Big family           | ii. Look like each other     |
| c. Single-parent family | iii. Small family            |
| d. Family resemblance   | iv. Living with grandparents |
| e. Identical twins      | v. Hereditary features       |

कक्षा - तीसरी

विषय - हिन्दी

कविता - कक्कू

वर्कशीट - 1

Given date - 17-4-20

Submission date - 18-4-20

प्रश्न 1- कविता की पंक्तियाँ पूरी करो।  
(क) नाम है उसका कक्कू।

(ख) लेकिन वह तो दिनभर रोता

प्रश्न 2. नीचे लिखे शब्दों के अर्थ लिखो।

(क) कक्कू -

(ख) झगड़ना -

प्रश्न 3. नीचे लिखे प्रश्नों के उत्तर दो।

(क) इस कविता में किसके बारे में बताया गया है।

(ख) कविता में कक्कू को सक्कू क्यों कहा गया है।

(ग) कक्कू को क्या पसंद नहीं है।

4. कक्कू कोचल जैसा क्यों नहीं है। लिखो।

Avtar Enclave  
English Worksheet-1  
Class -III

Given Date- 22-04-20

Submission Date- 25-04-20

I. Tick ( ✓ ) the correct option.

i) Whom does the Giant go to visit ?

(a) Parents                      (b) Teachers                      (c) Friends

ii) For whom does the Giant wait eagerly ?

(a) Spring                      (b) Winter                      (c) Frost

iii) Who is singing the beautiful song ?

(a) Bird                      (b) Children                      (c) Wind

II. Pick the words from the box to describe the Giant.

Generous, kind, angry, cruel, happy, selfish
--

(i) Before

(ii) After

III. Read the sentence and answer the questions that follows:

(i) "Spring has forgotten this garden."

(a) Who said these words and to whom ?

(b) Whose garden is this ?

(c) Why do you think Spring has forgotten the garden?

(d) What happens next ?
