Q. Read the poem and answer the questions that follow.

The Quarrel
Eleanor Farjeon

I quarreled with my brother,
I don't know what about,
One thing led to another
And somehow we fell out.
The start of it was slight,
The end of it was strong,
He said he was right,
I knew he was wrong!

We hated one another
The afternoon turned black.
Then suddenly my brother
Thumped me on the back,
And said, "Oh, come along!
We can go on all night –
I was in the wrong."
So he was in the right.
Word power
