Introduction

*“Just when the caterpillar thought
the world was over, it became a
BUTTERFLY”*

It's true that challenges in life are the real factors behind one's success. The problems and adversities make us stronger just like a caterpillar who has to go through them in order to have the transformation, and when this happens the world admires it.

We also believe that each and every person needs to work hard and push his boundaries, be it a student, a teacher or anyone else. The hard work always pays. With these thoughts in mind we

help students to conquer their own **EVEREST** as we must always try to be a better version of our ownself.

The pandemic has certainly been a regressive force but it has surely made us a little stronger, more determined, much focussed and empathetic towards everyone around us. This great learning will always be there in the young minds who are told to be compassionate, loving, caring, and sharing. To an outsider it is just any other academic institution which usually deals

with studies, syllabus, marks and results only but the parents who are associated with us know our USP and that is to instill good habits and give lifelong lessons in moral teaching. These lessons make our students unique who are not at all indifferent towards others' feelings and they actually pray for the world to heal.

There were a few activities in these months along with the First Term Exams in September. Let's enjoy this transition of caterpillar and browse through this edition.....

VAN MAHOTSAV

Van Mahotsav is celebrated in the first week of July by planting saplings all over the country and we also celebrated it on 07.07.2021. This festival encourages everyone to plant more trees and raise awareness about

forest conservation as forests and trees help in lowering the carbon footprint and maintain ecological balance. The students presented this

thought through a small programme in which there were songs, dance and a small skit which was organised virtually. They made videos of planting saplings in their vicinity with their family members.

INDEPENDENCE DAY (AUGUST 15, 2021)

Freedom in mind, Faith in words

Pride in our Heart,

Memories in our Souls,

Let's Salute the Nation.

This year 75th Independence Day of India was celebrated. The theme of this year is "Nation First, Always First". The students of our school participated in different activities like the Junior wing students participated in fancy dress competition where they dressed up like famous leaders and the senior students gave speeches and remembered the lives and work of eminent freedom fighters.

It was a virtual celebration which included cultural dance, patriotic songs and regional flavour by students, teachers, and an inspiring message by management too.

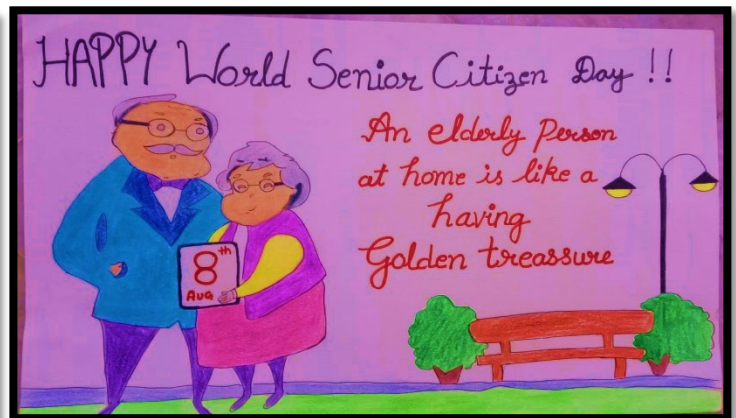

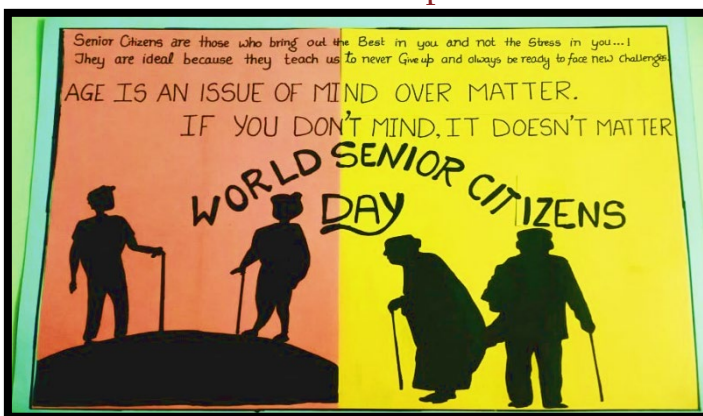

SENIOR CITIZENS DAY (AUGUST 21, 2021)

*walking stick is not a symbol of
weakness,
It is a symbol that we can walk
independently!*

World Senior Citizens Day is observed every year on 21 August to recognize the contribution of elders towards the society and to increase awareness about issues like elder abuse and their health deterioration. In our school, the students celebrated this day by sharing their experiences, appreciating their services and dedication towards family. The senior students of the school also made posters to raise common awareness on this issue.

RAKHI CELEBRATION (AUGUST 21, 2021)

*Raksha Bandhan: A divine bond of love, care and
protection...*

Raksha Bandhan is a pious day for all the brothers & sisters. The festival brings a lot of lovely memories that siblings share woven around a sacred thread. This day is celebrated in school to instill the feeling of affection and compassion. The girls in junior classes celebrated this day by tying rakhi on their brothers' wrist and boys decorated thalis and packed gifts for their sisters. It was truly a memorable event which was enjoyed by one and all.

NATIONAL SPORTS DAY (AUGUST 29, 2021)

"When people throw stones at you, you turn them into milestones!"

The National Sports Day is celebrated every year on 29 August to mark the birth anniversary of major Dhyan Chand, the hockey star of India. Earlier this day was used as a platform to launch various sports events or seminars & to spread awareness about the importance of physical activities and sports in our life. Organizing such events wasn't possible due to Covid-19. But this could not stop our kids from celebrating this great day. They made videos depicting a variety of games they can play at home or in their neighbourhood keeping in mind all the precautions of social distancing.

JANAMASHTAMI CELEBRATION (AUGUST 30, 2021)

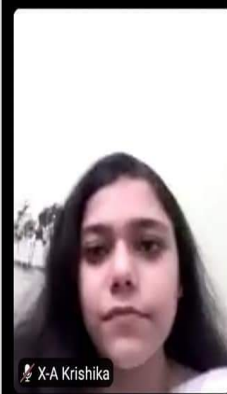

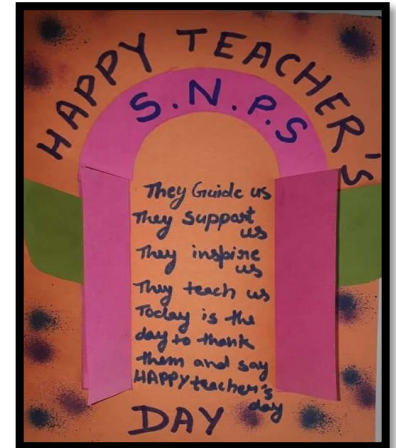

The day when Lord Krishna was born is a day of celebration for one and all. The tiny tots of our school celebrated Janamashtami this year on 30.8.21 with much pomp and fervour. All the girls looked like pretty little Radha and the boys dressed up like Krishna. Though the activities were virtual but the class whatsapp groups were full of beautiful pictures and vibrant videos which made this auspicious day memorable!

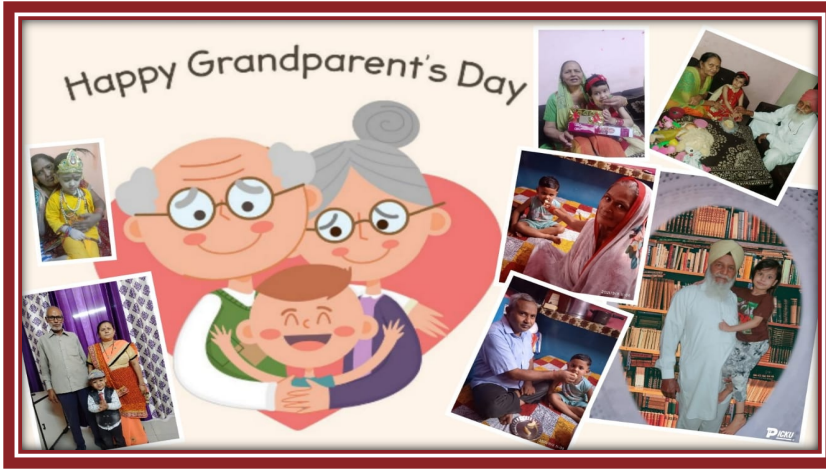

TEACHERS' DAY (SEPTEMBER 04, 2021)

If there were no teachers, all other professions would not exist!!

Teachers' Day is celebrated every year on 5 September to mark the birth anniversary of Dr. S. Radhakrishnan. The students of our school celebrated this day on 4 September, 2021, virtually. The students of senior most class acted as teachers and taught their juniors through online zoom class. They expressed their gratitude to their teachers by sending lovely messages and cards depicting the importance of teachers in their lives.

GRANDPARENTS DAY (SEPTEMBER 13, 2021)

Grandparents are a delightful blend of laughter, caring deeds, wonderful stories and love!

Grandparents play an important role in providing affection, wisdom, and strength to families. They also foster great understanding across

generations. The Grandmas' and Grandpas' perseverance and unconditional love strengthens family bond. The junior section of our school showed their love and support to their grandparents through videos and pictures with them. They made superb cards and even baked cakes for their grandparents to make them feel special.

हिंदी दिवस (सितम्बर 14, 2021)

हिंदी सरल सहज भाषा है सफलता की परिभाषा है। आओ हिंदी में काम करें देश की ऊँची शान करें।

हिंदी भाषा हमारी भारतीय संस्कृति की विरासत ही नहीं बल्कि राष्ट्रीय एकता की पहचान भी है। हिंदी भाषा में अपनेपन का एहसास है। हिंदी विश्व की प्रमुख भाषाओं में से एक है। आजादी के बाद देश में हिंदी के उत्थान के लिए 14 सितम्बर 1949 को हिंदी को राजभाषा का दर्जा दिया गया, इसलिए तब से इसे हिंदी दिवस के रूप में मनाया जाता है। इस दिन देश के नागरिकों को यह समझाने की कोशिश की जाती है कि जब तक वे हिंदी को पूर्णरूप से नहीं अपनाएंगे तब तक इसका विकास हो पाना संभव नहीं है।

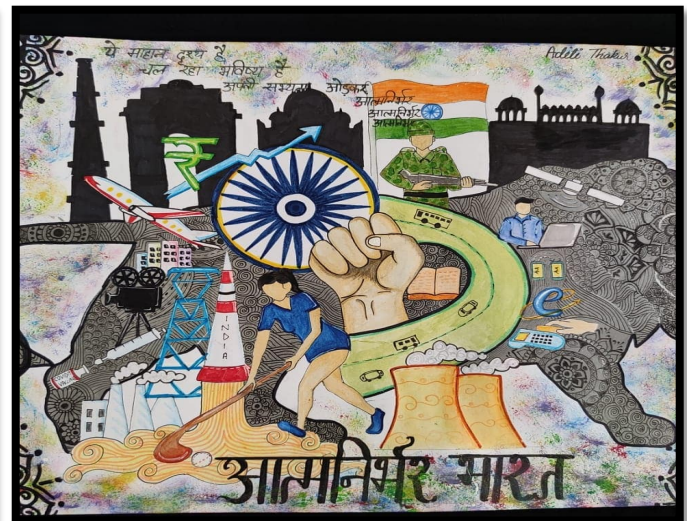

हिंदी दिवस मनाएं जाने का मकसद लोगों का ध्यान हिंदी भाषा की ओर आकर्षित करना व इसकी महत्वता को बताना है। हमारे विद्यालय में हर वर्ष की तरह इस वर्ष भी 14 सितंबर को हिंदी दिवस उत्साहपूर्वक मनाया

गया। विद्यालय में परीक्षाएं आरंभ होने के कारण छात्रों को इसमें सम्मिलित नहीं किया गया। शिक्षिकाओं के द्वारा हिंदी दिवस पर पोस्टर, नारा लेखन तथा भाषण इत्यादि का एक वीडियो बनाकर फेसबुक पर अपलोड किया गया।

Celebration of 75th Independence Day Azadi Ka Amrit Mahotsav

Our nation is celebrating the 75th anniversary of India's Independence. The Ministry of Education, Government of India has planned a series of events under 'Azadi Ka Amrit Mahotsav' as part of yearlong celebrations. So, the students participated in Online Quiz, Paragraph Writing and poster making activities about the events, places and people related to freedom struggle. These activities were held in the month of September and enjoyed by many students who took active participation in them.

OTHER ACTIVITIES

Apart from the above activities there were a few miscellaneous ones which were also organized during these months, like

1. National Level Quiz contest for classes III to X was organized by Discovery School Super League in the month of August, 2021.
2. Rashtriya Poshan Maah was launched in the month of September by Government of India. The activity encouraged students to offer a nutritious meal to at least one child belonging to underprivileged section of the society and click a picture of the same. Many students participated in this activity enthusiastically. They and their families appreciated the idea of organising such activity which was helpful for some and a learning experience in kindness for others.

Art galore
