~~INTRODUCTION~~

*Life's battles don't always go
To the stronger or faster man;
But sooner or later the man who wins
Is the one who thinks he can!!!*

The power of positive thinking is the one that can keep us going today, tomorrow and forever. We can move mountains with it. The need of the hour is to realise its importance and value that realisation. With such thoughts and optimism amongst the uncertain situations around us we are here again with our latest edition of Inesperia. The situation of the country improved and the normal school started with a lot of restrictions amid much anxiety and enthusiasm among the school staff members and all the stakeholders. But this cheer was short lived and the covid cases started surging. Nevertheless, we are sure "WE SHALL OVERCOME SOME DAY". We kept on telling our students as always to knock the 'T' off the CAN't. Meanwhile, to keep remembering.

*"The good you do today,
People will often forget tomorrow.
DO GOOD ANYWAY.
Give the world the best you have,
and it may never be enough.
GIVE THEM ANYWAY"*

GANDHI JAYANTI (OCTOBER 2, 2021)

The senior students made posters, E-Greetings & short videos depicting ‘ Say No To Crackers’ under the campaign “ Patake Nahi, Diye Jalao” started by Delhi Govt.

Rangoli Competition in Class X

Global Handwashing Day is an opportunity to design, test and show creative ways to encourage everyone to wash their hands because in this unprecedented time hand hygiene is a fundamental component of health and safety. As we enter a new normal, beyond COVID-19, our future is at hand, and we should actively work toward universal hand hygiene. The students of our school celebrated this day on 15 October 2021 by making small videos, speaking about importance of Personal Hygiene and writing Slogans on Water Conservation.

HEALTH CHECK-UP (NOVEMBER 11, 2021)

*"He who has health, has hope
&
he who has hope, has everything"*

Keeping this thought in mind the Manager ma'am, Rev. Narender Batra arranged for an Intensive Health Check-up for all the staff members of the school. On November 11, 2021 all the teachers went to C. K. Birla Hospital, Punjabi Bagh for their health check-up. They as well as the students of the school received 'Health Cards' for themselves and their family members in case of emergency.

This initiative was appreciated by one and all and they felt grateful to ma'am for this generosity.

CHILDREN'S DAY

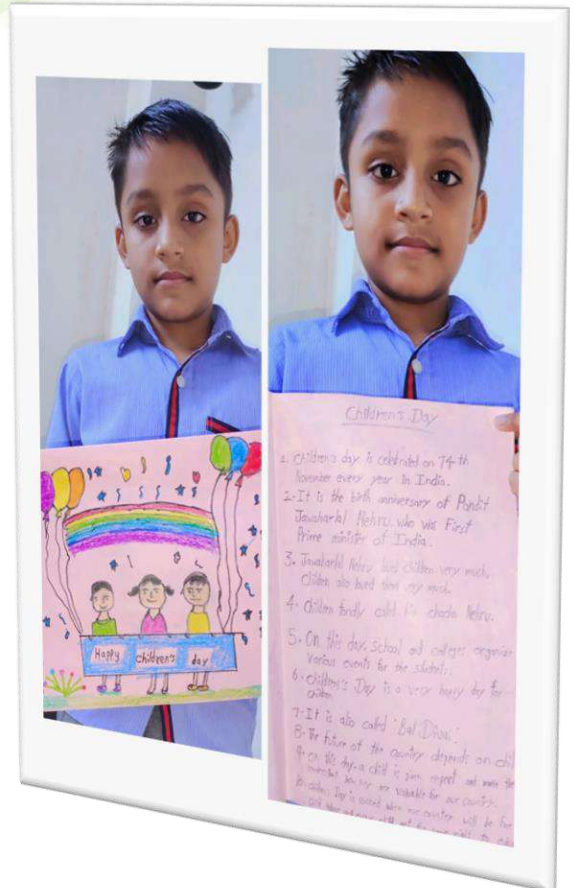

(NOVEMBER 14, 2021)

As a tribute to India's First Prime Minister, Pt. Jawaharlal Nehru, his birthday is celebrated as Children's Day in our country. This year we celebrated 'Bal Diwas' on 13 November 2021. The students of the Nursery wing dressed up as Chacha Nehru. The students of Primary Wing made cards, Nehru caps and the Seniors gave speeches and

Though it was a virtual event yet the day turned out to be a memorable one.

WORLD HUMAN RIGHTS DAY (DECEMBER 10, 2021)

"To deny people their human rights is to challenge their very humanity."

-Nelson Mandela.

World Human Rights Day is observed every year on 10 December 2021. The Universal Declaration of Human Rights states that all the human beings are entitled to these Human Rights. The students of our school also celebrated this day by making collages depicting the importance of human rights in our lives. These Collages were displayed during school exhibition virtually.

CHRISTMAS

"What is Christmas???"

*It is the tenderness of the past,
courage for the present and
hope for the future."*

Christmas is the time of joy and warmth, it means being around with family and celebrations. The students of our school celebrated this lovely festival on 23 December 2021. They decorated their homes with Christmas tree, lights, made different craft articles related to the festival, baked cakes and cookies and even sang Christmas carols. This kind of virtual Christmas celebration connected all of them and brought happiness to everyone's face.

KINDNESS DRIVE

"Try to be a rainbow in someone else's cloud"

In the present difficult times of Covid-19 we come across many people around us who need to be helped & taken care of. So, in an attempt to spread the much-needed festive spirit and to instill kindness in the tender hearts of our pupils we organised 'The Kindness Drive' in our school. During the Christmas festivities we urged our students & staff members to become secret Santa in the lives of those special people who are in need of love, warmth & care.

It is a matter of pleasure and pride to share that we received tremendous response from the students and their families who donated innumerable woollens, toys, food items, grocery and even old books.

We have planned to distribute the collection to a nearby Orphanage and old age home. We are grateful to each one of those who showered their kindness & generosity and helped us to cultivate kindness on this Christmas.

ALUMNI CORNER....

Hey there Reader, I am Arnav Mishra, a 1st year undergraduate student at one of the most prestigious scientific institution of India, **Indian Institute of Science, Education and Research-Pune** by securing an **All India Rank 109** in **IISER APTITUDE TEST 2021**.

From my very childhood I was deeply interested in science, particularly physics. I used to ask questions most of the people don't ask, I had an extremely curious nature, owing to which I used to question everything, in the pursuit of quenching my thirst for knowledge and answers to the physical phenomena. Since what a person becomes later in his/her life is all determined by the childhood experience and psychological nourishment, I am highly grateful to my teachers here at **SNPS Avtar Enclave Paschim Vihar** who enabled me to reach this feat in life and continue to owe them as they were the one who encouraged me at every step, boosted my curiosity and helped me reach to the answers to my questions with all their might. They always stood beside me for emotional strength and support, whenever I felt low in my life, they always kept my spirits high. Besides academics, their primary focus was life skills and moral values, which for me is the biggest asset of my life. I am happy to have received such gifted teachers, who, created a strong foundation in my life which is acting at the very base of my every achievement. The journey from SNPS Avtar Enclave to IISER-P was a roller coaster ride for me filled with mixed emotions and a variety of experiences. I will always remain grateful to my gurus for life for they made me the person I am today.

*'Achievers are not born talented,
but they possess the, I CAN DO IT attitude!'*

सीधा सादा वेश तुम्हारा नहीं कोई अभिमान खादी की एक धोती पहने वाह रे बापू तेरी शान
एक लाठी के दम पर तुमने अंग्रेजों की जड़ें हिलाई
भारत माँ को आज़ाद कराया राखी देश की शान
आँखों पर चश्मा हाथ में लाठी और चेहरे पर मुस्कान
दिल में था उनके हिन्दुस्तान
अहिंसा उनका हथियार था
अंग्रेजों पर भारी जिनका वार था
जात-पात को भुलाकर वो जीना सिखाते थे
सादा हो जीवन और अच्छे हो विचार
बड़ों को दो सम्मान और छोटों को प्यार
बापू यही सबको बताते थे
लोगों के मन से अंधकार मिटाते थे
स्वच्छता पर वह देते थे ज़ोर
माँ भारती से जुड़ी थी उनके दिल की डोर
ऐसी शख्सियत को हम कभी भूल न पाएंगे
उनके विचारों को हम सदा अपनाएंगे।
