Dear Parents,

The much awaited summer break is here! Holidays are a well-deserved opportunity to relax and to involve in pleasurable activities. Along with all the fun activities, we would like to keep them productively occupied with some academic work and activities.

Please ensure that the child spend some time every day to read and write. Let them first attempt it themselves. Assist them, only when required.

It's a high time for all to be at home and safe. For that we have to be fit and active even staying at home.
