HOLIDAYS HOMEWORK**

Dear Parents,

The much awaited summer break is here! Holidays are a well-deserved opportunity to relax and to involve in pleasurable activities. Along with all the fun activities, we would like to keep them productively occupied with some academic work and activities.

Please ensure that the child spend some time everyday to read and write. Let them first attempt it themselves. Assist them, only when required.

It's a high time for all to be at home and safe. For that we have to be fit and active even staying at home.

- ❖ Daily exercise is must for all.
- ❖ Eat healthy and avoid junk food.
- ❖ Maintain social distance to prevent the disease.
- ❖ Avoid heavy and oily food and increase intake of fresh fruits and water to keep you well hydrated and energetic.

Few tips for the parents:

- ❖ Read regularly to your child to inculcate reading habit. Point out new words, help them to look for it in the dictionary to enhance their vocabulary.
- ❖ Encourage them to speak in English.
- ❖ Involve them in reading of newspaper.

Read the instructions carefully:

- ❖ The holiday homework carries marks.
- ❖ All the work should be hand-written.
- ❖ All the projects will be done on A-4 size sheets and will be kept in a folder with your name and class clearly written on the top.
