Introduction

*"Perfect is unreal, untouchable.
Accept good, well done and wonderful.
Do your best, be your best.
There is no such thing as perfect.
Be happy and not perfect."*

We often strive for perfection and that perfect move to start something important which sometimes keeps us away from doing anything we cherish to do because suddenly we realise our limitations. But why we need to be perfect when ***"SUCCESS LIES IN DOING COMMON THINGS UNCOMMONLY WELL"***.

The moral of the story is to start your work with dedication which means work hard and leave the rest to Lord. With the same spirit, the summer break ended and the new day dawned in our school. ***Mrs. Meenakshi Chugh***, the Vice Principal of the school since its inception, retired from her services after serving the school for more than 25 years. She was given heartwarming farewell. She will always be remembered for her contribution to the school and witnessing it grow from a tiny tot to a fully grown youth. We wish that she will continue to inspire us with her experienced guidance as she enjoys her second innings after her successful first one.

A new era of school began with the appointment of ***Mrs. Tanuja Madaan*** as the new ***Head of School***. She is a dynamic lady with strong determination, has clarity of vision and is a true successor of ***Mrs. Chugh***. She knows how to lead, support and plan to get the things done with a smile.

There were fresh appointments of a few teachers in the school for its smooth functioning. The Mid Term exams were conducted in the month of September. The students did a lot of activities and studies along with sports and other Co-curricular activities.

So, we are ready with a crisp new edition of Insperia. Browse and enjoy!!!

A Special Assembly

“Every sunset brings the promise of a new dawn”

A special morning assembly was conducted on 4th July, 2022. It was special in many ways because it was the first day of the students in school after the summer break. Moreover, there were **Ms. Narinder Batra, the Manager Ma'am** along with **Mr. Sandeep Malhotra, LMC Member** who made the announcement about the new **Head of the school, Ms. Tanuja Madaan**. To mark this special news, the auspicious lamp was lighted, welcome song was sung and the newly appointed Vice Principal was welcomed with the bouquets and sweets.

Ms. Tanuja Madaan addressed the students and told them to work hard for a bright future. As we were celebrating Vanamahotsava week, she told the students to take pledge not to use single use plastic as it is creating havoc in our lives. She even laid stress on maintaining healthy practices and taking care of their hygiene. She thanked everyone present there and sought their cooperation to make the school one of the best Institution of this area.

INVESTITURE CEREMONY

“Success begins with self–discipline”

The Investiture Ceremony was held in the school premises on 8th July 2022. It is a way to inculcate the values of self-discipline and duty in the hearts of students. The *Vice Principal, Ms. Tanuja Madaan* adorned the students of Class IX & X as Head Boy, Head Girl, Captains & Vice Captains. She motivated them to value the sense of responsibility that comes with the duties assigned to them as representatives of their school.

It was a proud moment for all the students and teachers to witness this event. The newly elected team was cheered and welcomed by one and all. The *Head Girl, Tanushka* presented her views and thanked Ma'am for the honours. She promised that her team will not leave any stone unturned.

~~ We wish them best of luck for their future endeavor! ~~

VANAMAHOTSAVA

***"DON'T SHAVE THE EARTH, BY CUTTING TREES
RATHER SAVE THE EARTH, BY PLANTING TREES"***

In order to promote awareness towards the conservation of forests and tree plantation we observe Vanamahotsava every year in the month of July. This year it was celebrated in our school from 1st July to 7th July. There were many activities in which students participated with enthusiasm like Singing, Slogan Writing, Dance Drama and Speeches during morning assembly.

Tree plantation drive was also conducted to spread community awareness in kids about the ill effects of urbanization on nature.

WORLD POPULATION DAY

***"ENJOY THE FUTURE TOMORROW
BY CONTROLLING THE POPULATION TODAY"***

World Population Day is celebrated on 11th July every year to raise awareness about Global population issues. This year's theme focusses on reaching a resilient future for all 8 billion people living here and enjoying equal rights and opportunities.

The students of Class IX and X participated in the Slogan Writing activity organized by the school. The students made thought provoking slogans and posters which were appreciated by one and all.

WASTE MANAGEMENT

"WASTE ISN'T WASTE UNTIL WE WASTE IT"

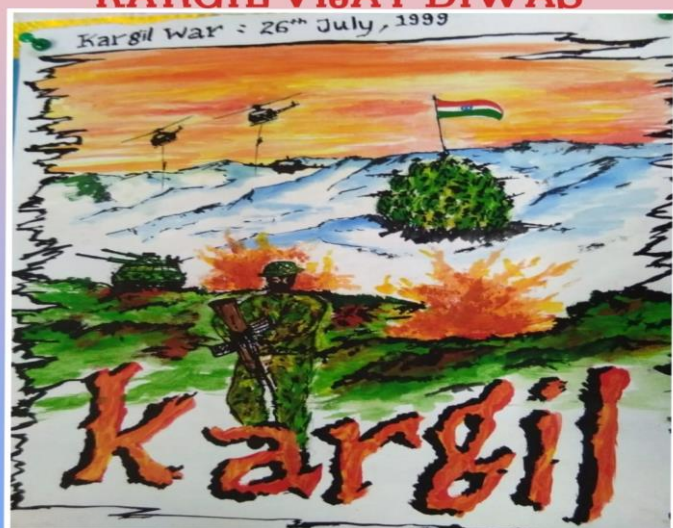

Waste Management reduces the effect of waste on the environment and health of the people. It can also help reuse or recycle resources such as paper, cans, glass and many more other things also. The school students participated in the following activities which were organized as a part of Saturday Activity on 16th July, 2022.

- (i) Craft work using waste material (Class III-V)
- (ii) Make anything with newspaper (Class VI-VIII)
- (iii) Bottle Craft (Class IX-X)

These activities made them aware about the three R's related to environment i.e. Reduce, Reuse and Recycle. This initiative by school sent an environmental friendly message to their homes as well. The students' creativity was quite innovative and unique.

SANT NIRANKARI PUBLIC SCHOOL AVTAR ENCLAVE KARGIL VIJAY DIWAS

KARGIL VIJAY DIWAS

"PATRIOTISM IS THE VIRTUE OF THE VICIOUS"

Kargil Vijay Diwas is commemorated every 26th July in India to observe her victory over Pakistan in the Kargil War for ousting Pakistani forces from their occupied positions in Kargil. This year is the 23rd anniversary of Kargil Vijay Diwas.

To dedicate this day to the martyrs of Kargil War our students of Class VI-VIII observed this day by making colourful posters & slogans and showed their devotion towards the country and its soldiers.

RAKSHA BANDHAN

"Sometimes being a brother is even better than being a superhero."

The sacred thread festival, Raksha bandhan was celebrated in school on 29th July. The girls of junior classes made lovely Rakhis and the boys wrapped gifts for their sisters in vibrant papers. The rakhis were tied and the gifts, sweets & chocolates were exchanged. It was an enjoyable day for all the kids who imbibed the lesson of loving, caring and sharing through this auspicious festival.

INDEPENDENCE DAY

*"Freedom in the mind,
faith in the words.
Pride in our souls...
Let's salute the nation"*

India has celebrated 25 years of its Independence on 15th August this year. The theme of this special year's celebration is 'Nation First, Always First'. The school also celebrated this auspicious day with great pomp and show. The Vice Principal, Ms. Tanuja Madaan hoisted the National Flag along with the LMC members. Under the 'Azadi Ka Amrit Mahotsav' the students presented a wonderful cultural programme which included speech, patriotic song and dance, a harmonious and synchronized presentation of yoga by students. Under the 'Har Ghar Tiranga' initiative by Govt. of India there were numerous flags in the school premises. The school building was adorned with hundreds of National flags. Even the flags were distributed to all the students so that each one of them could hoist the same on the top of their houses. The whole affair filled every Indian's heart with immense happiness and patriotism.

JANAMASHTAMI

*"The Super soul, the Supreme Personality
 of Godhead, is the source of light"*
~~Bhagvad Geeta~~

The festival of Janamashtami marks the birth of Shri Krishna. Like every year, the school students celebrated this day with much enthusiasm. There were many activities for them like the students of junior section dressed up as the characters related to Janmashtami and presented Jhankis. The other classes' students made garlands, crowns, clay idols, and even decorated beautiful handis. We could see many little Krishnas and Radhas decked up in vibrant colours which raised the festive spirit.

NATIONAL SPORTS DAY

*"Winners don't wait for chances,
they take them."*

National Sports Day is celebrated on 29th August to commemorate the birth anniversary of hockey legend, Major Dhyan Chand. This day is also dedicated to the nation's sports heroes and champion & honouring them for their contribution and dedication towards the country.

The school celebrated this day by organising different activities like playing indoor games, making collages and banners for National Sports Day during half day and having Athletic activities like Relay Race, Straight Race, Frog Race, Hurdles and Pick the smiley balls Race during the other half. There was house marching too. The representatives of all the houses saluted the Vice Principal. The students enjoyed this day and all the fun races.

TEACHERS' DAY

"Good teachers are the reason why ordinary students dream to do extra ordinary things."

Teachers' day is celebrated on 5th September to acknowledge the contribution of teachers in the society. It marks the birth anniversary of India's second President Doctor S. Sarvepalli Radha Krishnan.

In order to show gratitude to their teachers the students organized a lovely programme. They presented a skit and Dance Drama which touched everybody's heart. Such events make the teachers feel proud of their kids.

The students of senior most class behaved like teachers, maintained the discipline and controlled the activities of the students for that day and they performed these duties very well!

हिन्दी दिवस की हार्दिक शुभकामनाएं

हिंदी दिवस

“ निज भाषा उन्नति अहै, सब उन्नति को मूल
निज भाषा उन्नति बिन मिटत न हिय को शूल। ”

निज भाषा अर्थात् हमारी अपनी भाषा जो हमारी आम बोलचाल एवं काम-काज की भाषा है।

निज भाषा की उन्नति का यह आह्वान हिंदी भाषी जनसमूह के जातीय स्वत्व की पहचान और देशभक्तिपूर्ण आंतरिकता के साथ राष्ट्रियता, स्वदेशी की भावना और जातीय नवोत्थान की व्याकुलता को भी दर्शाता है।

भारत में विभिन्न भाषिक समुदायों के लोग सौहार्द के साथ रहते हैं। भारत की यह बहुभाषिकता इसकी विविधताओं में एकता की संस्कृति को तो दर्शाती ही है, साथ ही सबको एक सूत्र में बांधने के लिए किसी एक भाषा को चुनने की चुनौती भी देती है।

साल 1947 में जब भारत आजाद हुआ तो देश के सामने एक राजभाषा के चुनाव को लेकर सबसे बड़ा सवाल था, क्योंकि भारत में हजारों भाषाएं और सैकड़ों बोलियाँ बोली जाती हैं। इसे ध्यान में रखते हुए 14 सितंबर 1949 को निर्णय लिया गया कि संघ की राजभाषा हिंदी और लिपि देवनागरी होगी। भारत के संविधान ने देवनागरी लिपि में लिखित हिंदी को 1950 के अनुच्छेद 343 के तहत देश की आधिकारिक भाषा के रूप में 1950 में अपनाया। वहीं राष्ट्रभाषा प्रचार समिति के अनुरोध पर 14 सितंबर 1953 को पहली बार हिंदी दिवस मनाया गया। इसके बाद से प्रत्येक वर्ष 14 सितंबर को हिंदी

दिवस मनाया जाता है। इसका उद्देश्य लोगों को हिंदी के महत्व व इतिहास के बारे में बताना है और अपनी मातृ भाषा के प्रति जागृत करना है। तथा हिंदी को ना केवल देश के हर क्षेत्र में बल्कि वैश्विक स्तर पर भी प्रसारित करना है।

हिंदी भाषा में सभी भावों को भरने और व्यक्त करने की अद्भुत क्षमता है, यही कारण है कि हिंदी को भारत की जननी भाषा कहा जाता है। भारतीय संस्कृति में हिंदी को मातृ भाषा का दर्जा दिया गया है। यह महज भाषा नहीं बल्कि भारतीयों को एकता व अखंडता के सूत्र में पिरोती है। हिंदी को मन की भाषा कहा जाता है, जो कश्मीर से लेकर कन्याकुमारी, संसद से लेकर सड़कों तक और साहित्य से लेकर सिनेमा तक हर जगह संवाद का सबसे बड़ा पुल बनकर सामने आती है।

"हिंदी दिवस के दिन ,हिंदी बोलने वाले हिंदी बोलने वालों से कहते हैं , हिंदी में बोलना चाहिए"

- हरिशंकर परसाई

14 सितंबर का यह दिन प्रति वर्ष हमें हमारी असली पहचान की याद दिलाता है और देश के लोगों को एकजुट करता है। जहां भी हम जाएँ हमारी भाषा, संस्कृति और मूल्य हमारे साथ बरकरार रहने चाहिए और ये एक अनुस्मारक के रूप में कार्य करते हैं। हिंदी दिवस एक ऐसा दिन है जो हमें देशभक्ति भावना के लिए प्रेरित करता है।

स्कूलों और कॉलेजों में विद्यार्थियों को प्रोत्साहित करने के लिए प्रबंधन समिति हिंदी वाद-विवाद, कविता या कहानी बोलने की प्रतियोगिताएं आयोजित करती है। हमारे विद्यालय में भी छात्रों के लिए विभिन्न प्रतियोगिताओं का आयोजन किया गया। जैसे - नारा लेखन प्रतियोगिता, पोस्टर बनाना, यह हिंदी भाषा को सम्मान देने के लिए है जो विशेषकर नई पीढ़ी के बीच अपना महत्व खो रही है।

WORKSHOPS

Health, Hygiene and Nutrition

During COVID times the world has known the importance of investing in health and hygiene. So, we organized a workshop on 16th July, 2022 to help students understand the role of hygiene and nutrition if we wish to remain healthy. There were Dr. Nivedita Kaul, Director of Obstetrics and Gynaecology Department and Dr. Poonam Sidana, Director of Paediatrics Department from C.K. Birla Hospital, Punjabi Bagh to guide the students about maintaining hygiene and eating nutritious food along with taking proper sleep for the physical, emotional and mental health. The students listened to them with rapt attention and even asked their queries before the workshop winded up.

Mental health and healthy life style

This workshop was conducted as an extension to the previous workshop in the school on 28th July, 2022. It was felt that we all talk about physical health but sometimes the problems can't be detected easily because they involve the mind. So, the mind must be healthy and fit. The resource person was Dr. Preetinder Kaur, Director of Obstetrics and Gynaecology Department from C.K. Birla Hospital, Punjabi Bagh as resource person who helped students to understand the ways to remain healthy physically as well as mentally.

WORKSHOPS

Financial Literacy and use of digital tools

An interactive session on financial literacy and use of digital tools was organized by our School on the guidelines of CBSE. **Mr. Siddharth Sharma** was the resource person from CBSE who enlightened all the teachers on financial planning. The Manager Ma'am **Mrs. Narender Batra ji** welcomed **Mr. Siddharth Sharma** and the session was initiated after lamp lightening by Manager Ma'am and the guests. **Mr. Siddharth Sharma** explained all the aspects of financial planning to the teachers present from different schools. The teachers participated enthusiastically during the event. Our school being lead collaborator in Hub of Learning, so it was organized in the school premises. There were other member schools' teachers also who attended the session and many **neighbouring school teachers** as well as teachers from other branches of **Sant Nirankari Public Schools** participated in the interactive session. Refreshments were provided to all. It was indeed a fruitful workshop and we look forward to many more to be organized by CBSE in our school.

"Good things come to people who wait, but better things come to those who go out and get them."

The students participated in Zonal Competitions and brought laurels to the school.

SCIENCE ON WHEELS

With an aim to draw maximum number of students towards scientific and mathematic approach, we thank Mr. Gulshan Baghel to provide our students with the opportunity to visit a specially designed bus in our school premises on 1st August 2022.

The students of class III to X got an opportunity to know interesting scientific facts, phenomenon and the latest happenings in the field of Science and Mathematics.

It was a wonderful experience for our students to go through the exhibits covering some of the core Science and Mathematics concepts like Electromagnetic Induction, Human Circulatory System, Probability, Applications of Trigonometry, Working of Windmill, Respiratory System and lot more. Since these models were working, students could see and understand how the associated things work.

There was also an awareness section on Disaster management and COVID-19 with a huge 3D structure of the virus and how vaccine works in our body, which was very informative.

= *Alumni corner* =

I still have the immensely wonderful memories of our school SNPS. I studied there from Class I to VIII. I passed out in year 2004 because unfortunately our school was till Class VIII only. The best thing which I feel till date is the quality of education, care, attention and support which we got from teachers of our school we haven't got it in other schools. This thing I understood in Class VI when I was just 11 or 12 year old because I took admission in other school near by my place. After taking admission there I didn't get any such kind of support or the quality of education. As a result, I again took admission in SNPS after 2 months.

The best part of SNPS is that the teachers give proper attention to each and every student, carve & polish them as per their skills and interest that's the biggest reason my twin nieces are also studying right now in this school only.

I was an extremely naughty student but our teachers guided me towards the right path and I am in touch with a few of them till date. I am thankful to them whole heartedly who still support and guide me.

I request to management of our school that they should take necessary step to make our school till 12th standard because it is difficult for a student to adapt to new environment of other school after completing 10th standard from SNPS because we can't get that attention or care in other schools.

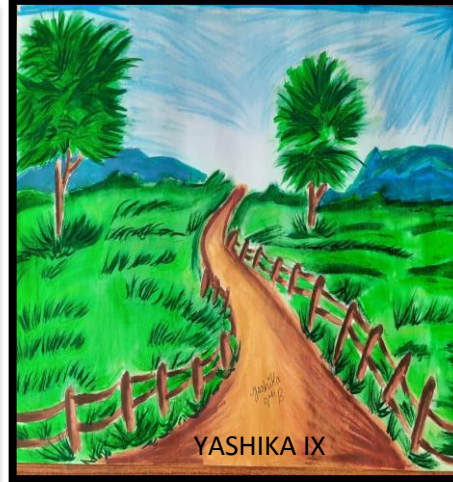

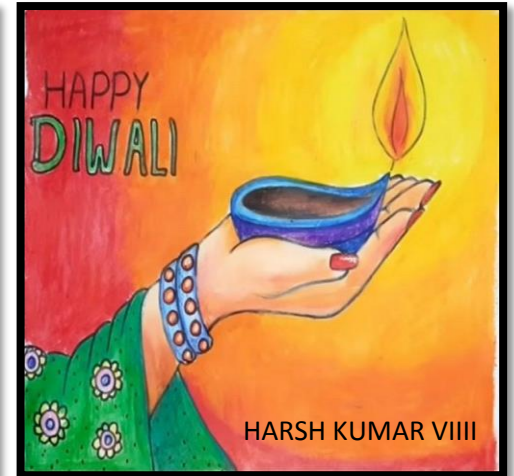

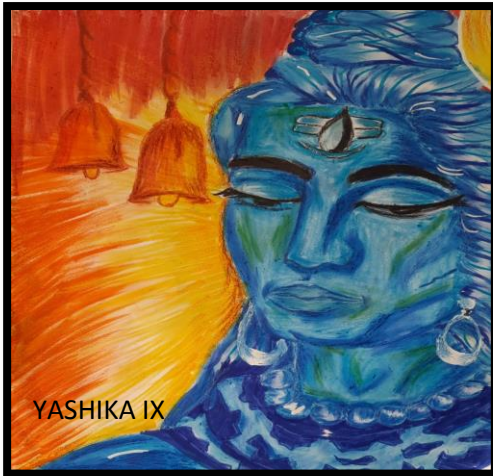

After schooling, I did Masters Diploma in interior architecture design. Presently, I am working as Assistant Project Manager in Pioneer Property Zone Mall Management Company and I am handling entire CP.67 mall, Mohali, Punjab. Previously, I executed, designed and worked with multiple international retail brands stores like The collective, Lifestyle, Home center, Louis Philip, Marigold lane, Pantaloons etc. I designed private residences also and I have worked in Samsung India as Associate Manager as well.

I am scaling new heights of my career because from the school time only I got the chance to participate in school functions and extra-curricular activities here in SNPS which led to boosting my confidence and public appearance and it helped me a lot to achieve my goals in career.

Thanks once gain to all my teachers for always supporting and guiding me. I am thankful to God as well, since I was blessed to get the initial education from SNPS.

**Warm regards,
Tushar Rai**
